AN ACT TO VALIDATE AND RATIFY ELECTRIC LIGHT BONDS OF THE TOWN OF ASHEBORO.

Preamble: purchase of plant and bond issue ordered.

Whereas the board of commissioners of the town of Asheboro, being authorized by the laws of the State of North Carolina, and especially chapter three hundred and twelve of the Private Laws of North Carolina, session one thousand nine hundred and eleven, to purchase for the town of Asheboro the electric plant owned by the Asheboro Electric Company, and having no funds on hand out of which said property could be paid for, at a meeting held on the eighteenth day of May, one thousand nine hundred and eleven, passed a resolution which, together with a supplementary resolution enacted by said board at a meeting held on the fifteenth day of June, one thousand nine hundred and twelve, increasing the amount from ten thousand dollars to thirteen thousand dollars, and at a meeting held on the twenty-second day of January, one thousand nine hundred and thirteen, a further supplementary resolution, enacted by said board, increasing the amount from thirteen thousand to fifteen thousand dollars to meet the actual necessary expenses in the completion of said electric plant, provided for the issuance of fifteen thousand dollars in bonds of the said town of Asheboro to pay for said electric plant and needed alterations thereof and improvements therein. Said bonds, seventy-five in number, of the par value of two hundred dollars each, numbered from one to seventy-five consecutively, denominated Electric Light Bonds, dated July first, one thousand nine hundred and eleven, bearing interest from the date thereof, at the rate of five per cent per annum, payable semiannually, with interest coupons attached, it was provided should become due and payable on the first day of July, one thousand nine hundred and forty-one; and

Preamble: bonds issued and sold ultra vires.

whereas fifty-nine of said bonds were actually issued, negotiated, and delivered in the partial purchase, alteration, and improvement of said plant, when it was discovered that the said board of com-

missioners of the town of Asheboro, by virtue of chapter eighty-six of the Public Laws of North Carolina, session one thousand nine hundred and eleven, were without power or authority to issue bonds for said purpose without first submitting the question of the issuance thereof to the qualified voters of said town and having the issuance thereof approved and authorized by a majority of same, as provided in said act, which said commissioners had not done; and that said bonds were therefore invalid; and whereas fifty-nine of said bonds are now in the hands of *bona fide* holders for value, and the said board of town commissioners are unable, under existing circumstances, to negotiate the remaining bonds of said issue so as to pay the obligations made to complete the purchase of said plant and make the necessary alterations and improvements; and whereas said bonds and each of them are valid and binding obligations of said town but for the provisions of chapter eighty-six of the Public Laws of North Carolina, session one thousand nine hundred and eleven, which directs the issuance of bonds in such cases to be first submitted to and approved by a majority of the qualified voters of the town at an election called for the purpose; and whereas the ownership and maintenance of an electric plant is a necessity for said town: Now, therefore,

Preamble: bonds in hands of bona fide purchasers.

Preamble: bonds should be made valid.

Preamble: plant a public necessity.

The General Assembly of North Carolina do enact:

Section 1. The fact that the issuance of bonds by the town of Asheboro, as in the preamble heretofore set forth and described, was not approved or authorized by a majority of the qualified voters of the town of Asheboro, as directed by said chapter eighty-six of the Public Laws of North Carolina, session one thousand nine hundred and eleven, shall in no respect impair the validity of such of said bonds as have been issued; nor shall it be necessary to submit the issuance of the remainder of said bonds to the qualified voters of said town, as provided by said chapter eighty-six of the Public Laws of North Carolina, session one thousand nine hundred and eleven, and secure the same to be approved and authorized by a majority of the qualified voters of the town. Without such submission, approval, or authority, said seventy-five bonds, including those that are not yet issued and delivered, as well as those that the said commissioners have gone through the form of issuing, are each and all hereby validated and declared to be just, legal, and binding obligations of said town, according to the tenor thereof and according to the resolutions of the commissioners by which they were directed to be issued. And the said board of commissioners of the town of Asheboro are hereby authorized and empowered to proceed to negotiate and dispose of such of said bonds as are yet unissued, using the proceeds thereof to meet the obligations made in completing the purchase and proposed alterations and improvement of the said electric plant.

Bonds heretofore issued validated.

Further issue authorized.

Sale of further issue authorized.

Sec. 2. All laws and clauses of laws in conflict with this act are hereby repealed.

Sec. 3. This act shall be in force from and after its ratification.

Sec. 7. The cost of all such improvements shall be financed by the issue of bonds and the levy of a special tax to pay the same and the interest thereon, as hereinafter provided.

That any person who shall feel aggrieved by the findings of said council with reference to said assessment for such permanent improvements shall have the right within ten days after such findings of said council, and not after that time, to file his objections to such findings, and to appeal from the decision of said council to the next term of the Superior Court of Catawba County, by serving upon said city notice in writing of his intention so to do, and specifying in said notice the grounds of his objections to said findings, and by filing

within the time prescribed for taking appeals in the office of the Clerk of the Superior Court of Catawba County a written undertaking in at least the sum of two hundred dollars, with sufficient surety, to be justified before and approved by said clerk, to the effect that said appellant will pay to said city all such costs and damages as it may sustain by reason of said appeal; in such cases of appeal from the city council the ordinance laying out the improved district, the action of the said council in determining the assessment, the objections of the property-owner filed thereto, and all other papers material to the matter, shall constitute the case on appeal and be certified by the city manager to the Superior Court, and shall be docketed on the civil docket and stand at issue as other civil cases regularly brought in such court, with leave to either party to file such pleadings and papers as he may deem necessary; if all the issues be found in favor of the appellant on such appeal as above provided for, the lien for said assessments shall be discharged; if, however, the issues, or any of them, be found in favor of the city of Hickory, to any amount, then judgment shall be rendered in favor of said city for such amount, to the end that no merely technical objections shall defeat the rights of the city; and the amounts so found, together with the cost of such appeal, which cost shall be assessed as costs in other civil actions, shall be and continue a lien against the property upon which the original assessment was placed from the date of the findings of said city council, and shall be collected by the city manager of the city of Hickory, as elsewhere in this article provided.

That in lieu of notice of publication to property-owners affected by improvements to abutting real property as elsewhere provided in this article, the city council, if it so determines, may give ten days personal notice to all persons affected by any permanent improvements for which a charge is to be made on real estate, to appear before said city council at a certain time and place to show cause, if any, why such assessment should not be made, which notice may be served by any policeman of the city of Hickory or any other proper officer.

Assessment mandatory on city council.

Sec. 10. This article shall be construed to make it mandatory on the city council to require abutting property-owners to pay their pro rata share of the cost of macadam, bitulithic, asphalt, vitrified brick, sand-clay, topsoil, and other permanent pavements assessed against the abutting property, as elsewhere provided for in this article: *Provided further*, that nothing in this article shall be construed to make it mandatory on the city council to issue bonds to finance the construction of sidewalks, but said city council may require the construction of sidewalks and charge one-half the cost of same, including curbing, to the abutting property, the property on each side of the street to pay or bear one-half the cost of the sidewalk on its respective side, which cost

Sale of property for assessment.

Sec. 11. As soon as the amount chargeable to real estate abutting on the street, avenue, or public alley to be so improved, as is provided in other sections of this article, is finally determined by the city council, and after the contract is let for any such work or improvement, the city council may cause a notice to be published once a week for two weeks in some newspaper published in the city of Hickory, substantially in the following form: Street improvement notice.

STREET IMPROVEMENT NOTICE.

Notice is hereby given that a contract has been let for (describing work and street, sidewalk, or alley), and that the improvement chargeable to the abutting real estate has been determined as to each parcel of said real estate, and a statement of the same is on file with the city manager. It is proposed to issue bonds chargeable to the said real estate to pay the special assessments, and such bonds will be issued covering all of said assessments except in cases where the owners of property file with the city manager, within the time stipulated in said notice, a written notice that they elect to pay the special assessments on their property, describing the same. Form of notice.

Sec. 12. After the expiration of the time fixed for filing notice of election to pay the special assessment as provided in the preceding sections, the city council may issue improvement bonds covering all of the assessments, except such as the owners have filed notice of election to pay, as stated in the preceding section. which bonds shall be of corresponding amounts and known as "Street Improvement Bonds"; shall comprise ten equal series; each series shall consist of a like number of bonds, and shall bear interest not to exceed six per cent per annum; and shall be sold for not less than par; and shall be signed by the city council and attested by the city manager; and shall contain such recitals as may be necessary to show that they are chargeable to particular property; and may be sold at either public or private sale; and the interest upon the said bonds shall be payable semiannually, and each installment of interest shall be represented by corresponding coupons; the respective series of the said bonds shall be payable annually, and the last series thereof shall be payable not exceeding ten years from the date of their issue; the proceeds collected by the city treasurer shall be paid to the contractor when due him, or the contract may provide that the contractor shall take Bond issue authorized. bonds as payment on his contract, at not less than their par value, the contractor to be charged with accrued interest; at the date of each tax levy after the issuance of any such bonds until all of them are paid, when the tax roll or levy for the year is prepared, sufficient special assessments of taxes on each parcel of land covered by said bonds to pay the annual installment of the principal and interest on the amount of such special assessments then unpaid shall be included in the tax levy or roll, as a special tax on said property, and thereafter this tax shall be treated in all respects as any other city tax, to be collected in the same manner, and constitute a lien on the property affected, and in every respect the same as other taxes. The provisions of subsection (*m*) of section thirteen of article four shall not apply to the issuance of bonds in accordance with the provisions of this section.

In making the valuation, said freeholders, after giving the owner or owners or their agent notice, or giving a notice by publication in two issues of a weekly newspaper published in the city of Hickory in case the owner cannot be found in the city, and after being duly sworn to act impartially and fairly, shall take into consideration the loss or damage which may accrue to the owner or owners in consequence of the land or right of way being surrendered, also such benefit or advantage such owner or owners may receive from the opening, widening, or changing of such streets or other public improvements, and ascertain the sum, if any, which shall be paid to the owner or owners of said property, and report the same, in writing over the signatures of any two of them, to the city council, which report on being confirmed by the council and spread upon its minutes, shall have the effect of a judgment against the city of Hickory, and shall pass title of the land so taken to the city of Hickory, and the land so taken may at once be used by the city for the purposes intended: *Provided*, that if either the owner or owners whose land is taken, or the city council, shall be dissatisfied with the valuation thus made, either party may appeal to the next term of the Superior Court: *Provided, however*, that such appeal shall not hinder or delay the city council in opening or changing such street or making such improvements.

The said list shall be signed and dated by the council or by the mayor in its behalf, and the said list when thus recorded and indorsed shall have the force and effect of a duly docketed judgment against the lot or subdivision so charged with an assessment, and shall constitute and be an execution in the hands of the town manager, to be executed by him by a sale of such lot or subdivision in the manner prescribed by law for a sale of land by sheriff under execution. The Clerk of the Superior Court of Burke County shall have power and authority to probate and order registered any and all lists of assessment certified by said town manager, as aforesaid, and when recorded and cross-indexed as hereinbefore provided, such list shall be and constitute full, legal notice of the lien and incumbrance on the lots and subdivisions therein mentioned to the extent of the assessment charged thereon: *Provided further*, where permanent street improvements shall be made, the property bearing such assessments shall not be assessed again until after the expiration of ten years from the date of the last preceding assessment: *Provided further*, that in case any street or part of street laid out as a district for permanent improvement is of such unequal width or cost of material as to render the plan of equalization of assessment as above set out unjust to any abutting property, then in that case the town council is authorized to divide such district into subdivisions and to apply the rule of equalization of assessments prescribed herein to such subsections, instead of to the entire district or section; and the town council may make as many subsections as may be necessary to make a just distribution of the cost of permanent improvement made or to be made in such district. The cost of all such improvements shall be financed by the issue of bonds and the levy of a special tax to pay the same and the interest thereon, as herein provided.

Notice of assessment.

Right of appeal.

Sec. 6. That the notice of the assessment by the town council, as herein elsewhere provided in this charter, against abutting property on any street, sidewalk, or public alley in any such improvement district or section shall be given at least once a week for two weeks in some newspaper published in the town of Morganton, which notice shall state the time and place that such assessments are to be made and determined, and shall notify all persons to be affected by such assessment to appear before the council and show cause, if any, why such assessments shall not be made; and in the event the owner of such lot or lots is an infant, idiot, lunatic, or incompetent, then his general guardian, if he has such, shall act for him; if he has none, it shall be the duty of the clerk of the Superior Court of Burke County to appoint a guardian *ad litem* to act for him. other public improvements, the mayor, upon order of the commissioners, shall issue his writ commanding the chief of police or other officer of the town to summons a jury of five freeholders of said town, unconnected by consanguinity or affinity with any of the persons supposed to be affected by said improvements; and in said writ the proposed improvements shall be fully described and

the persons mentioned who are supposed to be affected thereby. In obedience to said writ the officer shall summons the jury of five freeholders as aforesaid and appoint a day for them to assemble at the mayor's office; the day so appointed shall not be less than ten nor more than twenty days from the date of the writ. The officer in charge shall also serve notice of the time of the meeting of the jury upon all persons who are named in the writ as supposed to be affected by said proposed improvements, which notice shall be at least ten days before the day appointed for the meeting of the jury, and in case any such persons, their tenants or agents, cannot be found within the town, then a poster at the courthouse door, stating in as few words as possible the proposed improvement and the date appointed for the meeting of the jury, shall be sufficient notice. On the day appointed for meeting of the jury, the officer, if he has not already summoned them, shall proceed to do so, or to fill any vacancy which may have occurred from any cause in the number which he may have previously summoned, and shall cause them to assemble at the mayor's office, when each of them shall take an oath, to be administered by the mayor or other competent person, that he will faithfully, truly, and impartially assess the damages, if any, which may in his judgment be done to the property of each person named in the writ or to any other person whose property in his judgment may be damaged by the proposed improvement, and that he will also assess any special benefit or advantage or enhanced value which may be caused to the property of any person named in the writ or to any other property in the immediate vicinity of the proposed improvement. Immediately after the jury shall have taken the oath as above prescribed, they shall proceed, accompanied by the officer, to view the land of each person mentioned in the writ, and the land of any other person in the immediate vicinity of the proposed improvement which they may consider to be directly affected thereby, and they shall assess the damages, if any, specifying the amount to which each and every one of the premises which they shall have viewed shall be entitled, and the jury shall at the same time take into consideration any special benefit, advantage, or enhanced value which in their judgment may have been received by reason of said proposed improvement, and shall state the amount of such special benefit, advantage, or enhanced value of each and every one of the owners of said premises. The jury shall forthwith return to the mayor in writing a statement to be signed by each of them, or a majority of them in case they cannot agree, setting forth the amount of damage or advantage which they shall have assessed to each person: *Provided*, that in case the jury shall be unable to agree on the whole or on part of said report, they shall state that fact, setting out such parts as a majority of them have agreed on, and also the names of the per-

sons as to the damage or disadvantage of whom they are unable to agree; and thereupon the mayor shall order the officer to summons at once a new jury of five freeholders to take into consideration that part of the report of the first jury on which they were not able to agree, and shall continue this course until an agreement is arrived at, and if necessary the mayor is authorized to extend the meeting of the jury from day to day to accomplish the object of this section. As soon as practicable after receiving the report of the jury, the mayor shall call a meeting of the board of commissioners and submit the report to them, and if the commissioners shall conclude that the damages assessed by the jury are excessive, they may decline to pay the same and discontinue the proposed improvement. If the jury shall find that the proposed improvement will enhance the value of real estate adjacent thereto, the amount of such valuation of benefits shall vest in the town and become a lien on the premises mentioned in the report of the jury, and shall be due to the town on the completion of the proposed work, and payable in three equal annual installments, and if not paid at maturity, the lot so assessed, or so much thereof as may be necessary to pay said installments and costs, shall be sold by the tax collector to pay the same under the same rules, regulations, and restrictions, rights of redemption and savings as are prescribed by law for the sale of real estate for unpaid taxes: *Provided, nevertheless*, that if any person who is reported in the jury's report to be affected by the proposed improvements be dissatisfied with the amount of damages or enhanced value with which he has been assessed, or if the commissioners be dissatisfied with any item in the report, then in that case either party may appeal on the item with which they are dissatisfied, to the term of the Superior Court of Bladen County, by giving the adverse party ten days notice in writing. The appellate court in either case shall have power to increase or diminish the amount of damages or enhanced valuation which has been assessed, but shall in no wise adjudicate the necessity of the improvement, and the question of damages or benefit shall be submitted to a jury, under the ordinary rules of action for damages: *Provided, however*, that such appeal shall in no wise hinder or delay the commissioners in making the proposed improvements, but it shall be lawful for them or their agents to enter upon and use the property so condemned as soon as the same has been condemned by order of the board, and the fees of each of said jurors shall not exceed one dollar per day.
